

GENERAL CHAPTER MEMBERSHIP MEETING

Where: The next General Membership Meeting will be held at the Snowshoe Gun Club and Shooting Range as an SCI Fun Shoot.

When: August 4th at 5:00 pm to 9:00 pm. Shoot starts at 6:00

Food: The chapter is furnishing the main course, paper products and plasticware. You bring a dish to share for the pot luck and yourselves for a great time and great company! Be sure to bring a friend.

Location: Snowshoe Gun Club between Kenai and Soldotna at the trap range and the new clubhouse.

If you've never shot Trap or Skeet or even if you're a pro, this is great fun!

Join us and bring your shotgun for some trap and skeet shooting fun. The club will furnish a box of shells and you pay \$7.00 a round for the clay pigeons. Additional shells for additional rounds can be bought from SCI.

A Snowshoe Gun Club Range Officer will be there to provide the necessary safety and range rules for participants. We will also provide shotguns for participants that do not own shotguns, or could not bring their own guns.

You can also bring your rifle to sight it in for the upcoming hunting season if you would prefer, or do both!

Call Spencie Netschert at 260-7758 for additional information.
